rrgc@richriver.com.au

What better way to get to know your clients than a day out on the green?

Arm yourself with a pair of fancy pants, clubs and a relaxed attitude before taking on one of RRG's two 18 hole championship golf courses with your customers and staff. Corporate golf events are our speciality. From a small intimate gathering to a large extravaganza, we are able to tailor the event to best meet the objectives of your business as well as ensuring an enjoyable day away from the office.

RRGC understand that your corporate golf event is an investment in the future of your business. Our experienced functions and pro shop team are here to work with you on all the available options and are ready to take on all the hard work to ensure a cost efficient, seamless and hassle-free day for your business.

We think of everything!

A corporate golf event at RRG is not just about playing golf - its' about the experience that you and your guests will have for the whole day. We tailor your event according to the needs and style of your business. From a casual and relaxed agenda right through to a stylish gourmet affair.

RRGC is situated in the famous Echuca-Moama Murray region which, along with our magnificent golf course makes it a popular choice for many businesses locally and state wide.

The RRG complex is perfectly designed with all the facilities that will make your corporate golf unique in one small area. The golf course surrounds the clubhouse, pro shop and resort motel. A large car park is available for all your guests. The West and East golf courses have been developed over the years to become one of regional Australia's premier golfing venues. The par 72 West Course has traditional tree lined fairways with small tricky greens and takes the serious golfer on a 6,183m journey. The par 72 East Course was redesigned by Peter Thomson in 1998 and features large greens, wide fairways, Thomson signature bunkers and covers 6,131m. Both courses provide outstanding challenges for all players. The course can be walked or your guests can take advantage of our 40 motorised cart fleet.

Our head chef, Paul Cohen and his team have worked hard to bring you a wonderful selection of food choices, all of which are made from produce sourced locally and cooked in our very own Rich River Golf Club Resort kitchens.

Rich River Golf Club Resort can even organise your corporate event prizes and merchandise. What better way to promote your company with personalised polo shirts, hats and stubbie holders for all your guests. We even take the hard work out of your prizes with a selection of tournament prize packs... there's 3 to choose from all with 1st, 2nd, 3rd and NTP levels.

Corporate golf event options

Pre-Round Clinic - A great way to start your corporate outing is by getting your clients involved in a 60min clinic. Clinics allow your clients to get a great head start to the day.

On-Course with the Pro - Select from one of our three PGA golf professionals and allow them to be a part of your on course play. The pro will play a hole or multiple holes with every group and provide some simple advice on how to play the hole and a handy hint for your game which can make the day, and score, worth your while.

Off-site activities - Echuca-Moama prides itself on being at the forefront when catering for visitors to the area and Rich River Golf Club Resort is just a short drive from many of these attractions. We can incorporate any tourist activity into your day if you wish.

Suggested structure

Ambrose

The most popular competition is Team Ambrose. The format consists of four members of each team playing their tee shot. The best tee shot is selected and the other three players pick up their ball.

All four players then play their second shot from within one club length of the selected ball and so on, until you reach the green. Only the selected shots count.

After the 18 holes have been completed, the team's gross score is totalled, then the team handicap is deducted for a net team score.

* Four Players = 1/8 combined handicap

* Three Players = 1/6 combined handicap

* Two Players = 1/4 combined handicap

Maximum handicap recommendation:

Men - 24

Women - 36

Suggested format - afternoon
