

Apprentice Equipment Technician

- Dedicated and supportive team
- Work/Life balance
- Uniform supplied

Rich River Golf Club is an iconic sporting club on the Murray River. Situated in Moama NSW just across the border from Echuca, the Club boasts two championship golf courses amongst its sporting facilities, a 64-room motel and a newly renovated and impressive Club facility with extensive food and beverage operations, a function centre, a large gaming room and mini golf course.

We are currently seeking applications for the position of Apprentice Equipment Technician to join our Course Maintenance Team and assist our Head Equipment Technician.

To be successful in this role you will:

- Have a strong work ethic
- Be well-presented and punctual
- Have good communication skills
- Have an eye for detail when maintaining our extensive fleet of course machinery
- Have a drivers' license

You will be trained in Certificate III Light Vehicle Mechanical Technology along with the theory component of your apprenticeship.

You will be trained on the job in the following areas:

- Service & Preventative Maintenance Programs
- Stock & Parts Control
- Reel Grinding & Maintaining Cut Quality
- Record keeping
- Work prioritisation
- Adherence of workplace health and safety procedures
- Welding and minor fabrication
- Electrical diagnostic experience
- Hydraulic system experience

As part of your employment you will also be expected to perform a minimal amount of golf course maintenance work along with rostered weekends and overtime.

If you would like to know more about the role please view the Position Description and contact Andrew Johnson, Course Superintendent on telephone (03) 5481 3333.

Please send a letter outlining how you meet the criteria listed above, along with your resume to the Human Resources Department: jobs@richriver.com.au

Applications close: **Monday 21 October 2019**

(however, please send you application sooner if you are interested as we will be reviewing them as they come through)

RRGC is committed to the principles of Equal Employment Opportunity, Work Health and Safety, Child Safety, Cultural Diversity and Ethical Work Practices and encourages applicants from diverse backgrounds to apply.
